6. Beware of cults/heretics

Recently, we know that cults/heretics organizations have infiltrated the church and frequently invited brothers and sisters to participate in their activities. Meanwhile, we also observed their following practices and reactions:

1. Recruit believers to participate in various Bible courses through various means of making friends and chatting on social media.
 2. When asking the other party about their basic Christian beliefs, they may appear mysterious and unwilling to listen or respond.
 3. Visit new friends in the church, show exceptional enthusiasm, ask for contact information from members, but remain mysterious, constantly lobbying members to participate in Bible classes or other gatherings.
 4. Recently, there have also been cases of two or a group of people going door-to-door to report good news.
 5. Besides, their methods will continue to evolve one after another.
- Therefore, we call on our church brothers and sisters to be cautious and avoid entering into cults/heretical groups. If you encounter any of the above situations and need assistance, please inform your cell group leader/parents or contact the church's pastoral staff.
