### English Aims Course :

Speaker: Benny Ong Date: 20th Sept 2025 (Sat) Venue: Hosanna Hall

Fee : RM 10 <https://form.jotform.com/252329268276465> Time: 9am-4pm

Disciples of Christ are accountable to equip fellow believers on how to handle the world, when to fight and when to flee. People outside the body need to see God's goodness in action. A holistic lifestyle will aid the convicting work of the Spirit as He makes unbelievers aware of sin, righteousness and judgment. We are to be God's ambassadors communicating the message of reconciliation. How do we get close to people to give them the opportunity to ask relevant questions about money, family and friendship and their future. This course will help the participants to apply kingdom principles for holistic Christian living. Benny Ong is the founding director of a financial advisory firm in Singapore. He has spoken to both Christian and non-Christian groups in the area of investments and finance and has lectured part time on the subject of Personal Financial Planning at the Singapore Institute of Management for several years. He is an active member of Church of Our Saviour Singapore and has served in the Full Gospel Businessmen's Fellowship Int'l Singapore chapter. He has also contributed numerous articles to various journals including Business Times, Singapore Exchange Journal and the Impact Christian Magazine.

## **6. Beware of cults/heretics**

Recently, we know that cults/heretics organizations have infiltrated the church and frequently invited brothers and sisters to participate in their activities. Meanwhile, we also observed their following practices and reactions:

1. Recruit believers to participate in various Bible courses through various means of making friends and chatting on social media.
  2. When asking the other party about their basic Christian beliefs, they may appear mysterious and unwilling to listen or respond.
  3. Visit new friends in the church, show exceptional enthusiasm, ask for contact information from members, but remain mysterious, constantly lobbying members to participate in Bible classes or other gatherings.
  4. Recently, there have also been cases of two or a group of people going door-to-door to report good news.
  5. Besides, their methods will continue to evolve one after another.
- Therefore, we call on our church brothers and sisters to be cautious and avoid entering into cults/heretical groups. If you encounter any of the above situations and need assistance, please inform your cell group leader/parents or contact the church's pastoral staff.
