6. Beware of cults/heretics

Recently, we know that cults/heretics organizations have infiltrated the church and frequently invited brothers and sisters to participate in their activities. Meanwhile, we also observed their following practices and reactions:

1. Recruit believers to participate in various Bible courses through various means of making friends and chatting on social media.
2. When asking the other party about their basic Christian beliefs, they may appear mysterious and unwilling to listen or respond.
3. Visit new friends in the church, show exceptional enthusiasm, ask for contact information from members, but remain mysterious, constantly lobbying members to participate in Bible classes or other gatherings.
4. Recently, there have also been cases of two or a group of people going door-to-door to report good news.
5. Besides, their methods will continue to evolve one after another.

Therefore, we call on our church brothers and sisters to be cautious and avoid entering into cults/heretical groups. If you encounter any of the above situations and need assistance, please inform your cell group leader/parents or contact the church's pastoral staff.

ACTS - ADOPT A VILLAGE

“Shaping Many Generations”

Our ACTS Program empowers underprivileged children to grow mentally, emotionally, and socially. Through the program, they learn essential life values, build meaningful friendships, develop confidence, and receive guidance that equips them for a hopeful future and greater academic success.

Currently, we support 95 students across five classes each day, conducted before or after their public school hours. Your sponsorship makes a meaningful difference by helping us provide transformative programs, dedicated mentors, and a safe and caring environment where every child is valued, encouraged, and given the opportunity to reach their full potential.

Together, we can invest in a child's education, shape their character, and help transform their future.

Discussion Questions:

1. Is there any difference in the purpose of God saving us, and our purpose of believing in Jesus? What help will it bring if we are clear of God's eternal plan for us?
2. Building God's kingdom is the desire of God. How can I choose to build God's kingdom in my daily life?
3. Church is the family of God, and also the body of Christ. Which area in the church should I put into practice more?
